**ABOUT PGS BIKING GEARS**

Paradise Mount is Well Known Name in Motorcycle Garments including Suits, Jackets and Gloves ETC from Last Several Years. Paradise Mount In Association With PADANA Group Have Launched PGS BIKING PRODUCTS in India. Padana Group is renowned for its Motorcycle Garments including Suits, Jackets and Gloves all over the world. It is currently celebrating its 29th Anniversary, established in 1982. Both the brothers after acquiring the training launched their own venture combined with skill and confidence in the field of leather gloves and garments manufacturing under the name of Padana® Gloves Specialist Co. in 1982.

**QUALITY CONTROL**

The company has achieved ISO 9001:2000 International quality management system and with every coming day we are continuously improving for the effectiveness of quality management system. For maintaining our leading position in our products and satisfying clients with their needs and expectations our QC uses following methods for inspection:  
 \* Initial Production Check \* DUPRO (During Production) \* FRI (Final Random Inspection)  
 Inspection is carried out by using MIL-STD-105E, level I or II (depending on merchandise) with AQL levels either 1.5 or 2.5 for major effects and AQL level 2.5 or 4.0 for minor effects both depending on merchandise.  
 We ARE committed to producing quality products which conform to our customers to meet this obligations, the company will continue updating of employee skills by training, acquisition of new technology, and regular re-evaluation of its quality control and assurance SYSTEMS.
